

YES, I WOULD LIKE TO HELP FULFIL FINAL WISHES!

Ambulance Wish Western Australia

Ambulance Wish Western Australia's mission is to give people living with a terminal illness the resources, specialist transport and medical care they need to fulfil their final wishes. Wishes can be simple, a last visit home or to a place of personal significance. It's usually the little things that mean the most to a person nearing the end of their life.

With medically trained volunteers and adapted ambulances, we fulfil the desires of those who are in need of assistance to experience one final wish. We run entirely on charitable donations and are managed by volunteers. All donations go to running Ambulance Wish Western Australia and fulfilling last wishes.
